**PETITION TO WITHDRAW HOLDING OF ABANDONMENT
BASED ON FAILURE TO RECEIVE OFFICE ACTION**

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

Applicants hereby petition to the Commissioner under 37 CFR §1.181 that the notice of abandonment mailed on June 9, 1999 be withdrawn given that Applicants never received the underlying Office Action. As set forth in the Manual of Patent Examining Procedures, Section 711.03(c)(II), Applicants will make the required showing regarding non-receipt of the Office Action. The facts, as understood by the undersigned who is the attorney responsible for prosecution of this matter, are as follows:

1. On June 4, 1999, I received a voice mail from Examiner Marschel, the examiner handling the instant application. He indicated that a response had not been received to his previously sent *Ex Parte Quayle* action, and inquired whether one had been filed. I obtained the original file, and found that no such communication was in the file. I returned the call to Examiner Marschel, and indicated that we had no such action in our files. He suggested that we petition to revive the application by providing evidence regarding the firm's docketing system. (See the contemporaneous Memo of June 8, 1999, of David B. Murphy to the File, attached hereto as Exhibit A).

2. On or around June 11, 1999, the U.S. Prosecution Department of Lyon & Lyon received the Notice of Abandonment mailed by the office on June 9, 1999. The Notice of Abandonment arrived within two days of its mailing. The Notice of Abandonment identifies the date of the previous office letter as being mailed on October 14, 1998.

3. The mailing address for correspondence in this application is the Los Angeles office of Lyon & Lyon. Attached hereto as Exhibit B are the U.S. Prosecution Department mail lists starting on October 15, 1998. These records have been searched in two ways to confirm that our records show that the Office Action in this case was never received by our firm. First, the mail list for approximately one month from October 15, 1998 was reviewed. Secondly, an electronic search of the computer records for this docket was searched. In each case, there was no indication that the Office Action was received.

4. A copy of the file jacket on which the receipt information regarding the communication would have been recorded is attached hereto as Exhibit C. No entry has been made, further confirming the conclusion that the Office Action was never received.

Applicants respectfully request that the holding of abandonment be withdrawn, and that the Office Action dated October 14, 1998 be remailed.

In the event that this request must be considered under 37 CFR §1.137, Applicants state that the entire delay in filing the required reply from the due date for the reply until the filing of this Petition was unavoidable (37 CFR §1.137(a)(C)) and unintentional (37 CFR §1.137(b)(C)). The required reply cannot be provided since the undersigned has never received the underlying Office Action. Should a fee be due, Applicants authorize such charge to be made to Deposit Account No. 12-2475.

Should any questions arise regarding this Petition, Applicant would request that the undersigned be contacted at (714) 751-6606.

Accordingly, Applicants respectfully request that the Notice of Abandonment mailed June 9, 1999 be withdrawn for failure to ever receive the underlying Office Action, and that the Office Action of October 14, 1998 be remailed.

Respectfully submitted,

LYON & LYON LLP
